AUDIT FINDINGS

NARRATIVE

The Tennessee Valley Juvenile Detention Center had its first PREA Audit conducted on April 25, 2016. The facility did exceptionally well in assisting the Auditing Team in setting up interviews with staff, administration, and detainee(s) that were detained at the time of Audit. Tennessee Valley Juvenile Detention Center responsibilities include the safety, security and well-being of all residents who are placed in their custody and are upholding the commitment to ensure that all detainees and staff are trained and educated on sexual safety.

Prior to the arrival at the facility the PREA Auditor and the facility's PREA Coordinator communicated occasionally and this preparation made the Audit process transition smoothly. Upon arrival at the facility, The Auditing Team, Facility Administrator and PREA Coordinator conducted an in brief to answer any questions or concerns and allotted time to explain the onsite process of the audit, we conducted a very conclusive walkthrough, took several pictures, conducted interviews with a random selection of staff and detainees, and spoke with the PREA Coordinator and Executive Director in an exit interview to address any further questions or concerns and provided information as to the post audit process.

The Investigator was contacted the week after to verify information pertaining to their role in investigations and specialized training was received and verified through phone interview and documentation, the Rape crisis was contacted and interviewed the week before and verified the process and role they have according to the MOU established with the facility and the Medical Staff was onsite at the time of Audit for the interview process. Upon review of the documentation sent during the Pre-Audit, and through interviews it was reiterated that PREA Audits are like none other, the Auditor has to be satisfied that policy or procedure exist to satisfy the standard, that the practice in place is consistent with the standard and policy, and that the policy and practice has become institutionalized. The Executive Director, PREA Coordinator and Staff Tennessee Valley Juvenile Detention Center did an exceptional job in preparation for this Audit.

DESCRIPTION OF FACILITY CHARACTERISTICS

Tennessee Valley Juvenile Detention Center is a Secure-Temporary 12,000 square building, resident custody level facility located in Tuscumbia, Alabama, this facility is licensed for 25 beds by the Department of Youth Services. Contracting authority for this facility is a board made up of representatives from Seven member counties which include Colbert, Franklin, Cullman, Lauderdale, Lawrence, Limestone, Morgan and four other non-member counties all located in North Alabama.

Tennessee Valley Juvenile Detention Center is able to serve both male and females ranging in age from 11-18 years old, the length of stay approx. 2 weeks. This facility hold juveniles who are awaiting court dates or placements at other facilities, only juveniles that are accused of criminal act and are not required to hold status offenders or CINS cases unless they have exempt status are detained. This facility provides security, a safe environment, promotes sexual safety, and mental health crisis intervention when necessary.

The Tennessee Valley Juvenile Detention Center utilizes the latest in juvenile detention technology and training to become a proficient and reliable security provider the facility place emphasis on training and technology. Technology aided in providing extra supervision and documentation without the additional cost and became a force multiplier for the facility by deterring false allegations as well as minimizing the risk of potential lawsuits. Faculty and Staff remain committed to press forward by always looking for new ideas in research and development in the corrections field.

Tennessee Valley Juvenile Detention Center employ 24 team members for a 24-hour operation, 24 fulltime, 0 part time, and 1 PRN in which they are authorized to operate on 22.00 FTE's. Shifts are staffed with a ratio that satisfy the standard in accordance with § 115.313.

During the past 12 months, Tennessee Valley Juvenile Detention Center housed approx. four hundred and one (401) residents, out of these residents one hundred and seventy-two (172) were held for seventy-two hours (72), and two hundred fifteen (215) length of stay of ten (10) days or more.

For the period being Audited, there has been no occurrence of any reports and/or allegations concerning sexual assault, sexual abuse, sexual misconduct, or sexual harassment at Tennessee Valley Juvenile Detention Center. There have been no critical incidents regarding sexual allegations during this period. Tennessee Valley Juvenile Detention Center complies with all policies and procedures of ElyJenn Detention Services, remain licensed by The Department of Youth Services, and are Compliant to the Implemented PREA Standards to ensure the sexual safety, security and protection of all residents and staff members.

SUMMARY OF AUDIT FINDINGS

After Interviews with the Investigating Agency, Crisis Center, Director, and PREA Coordinator it was confirmed that there were no incidents of sexual abuse, assault or harassment reported during this audit period. There were nineteen (19) residents housed at the time of Audit and during interviews it was determined and verified that during the intake process “Sexual Safety” was explained, signed for, and documentation received. A total of 41 Standards were reviewed, of which 4 exceeded Auditors expectation, (facility went above and beyond the education and training of residents and staff to showed great effort in providing documentation not only to satisfy the standard but to ensure that “Zero Tolerance” is understood between both staff and residents), and 37 meets standard. A total of 11 staff were interviewed and 6 residents, see the following for classification of staff;

- Officers(Direct Care)
- Teacher
- Supervisor
- Nurse
- Investigator
- PREA Coordinator
- Executive Director

Standard 115.311 Zero tolerance of sexual abuse and sexual harassment; PREA Coordinator

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

Auditor discussion, including the evidence relied upon in making the compliance or non-compliance determination, the auditor's analysis and reasoning, and the auditor's conclusions. This discussion must also include corrective action recommendations where the facility does not meet standard. These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.311 Zero tolerance of sexual abuse and sexual harassment; PREA coordinator.

- (a) An agency shall have a written policy mandating zero tolerance toward all forms of sexual abuse and sexual harassment and outlining the agency's approach to preventing, detecting, and responding to such conduct.
 - (b) An agency shall employ or designate an upper-level, agency-wide PREA coordinator with sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards in all of its facilities.
 - (c) Where an agency operates more than one facility, each facility shall designate a PREA compliance manager with sufficient time and authority to coordinate the facility's efforts to comply with the PREA standards.
- The agency has a written policy mandating zero tolerance toward all forms of sexual abuse and sexual harassment in facilities it operates directly or under contract.

Tennessee Valley Juvenile Detention Center Policy and Procedure, 13.8.1, titled; Protection from Sexual Abuse and Assault, is a twenty two page policy which contains language which specifically mandates zero tolerance toward all forms of sexual abuse and sexual harassment and clearly outlines the agency's approach to preventing, detecting, and responding to such conduct.

The facility has a policy outlining how it will implement the agency's approach to preventing, detecting, and responding to sexual abuse and sexual harassment, and also includes definitions of prohibited behaviors regarding sexual abuse and sexual harassment.

Tennessee Valley Juvenile Detention Center PREA Coordinator assumed the duties of PREA Coordinator in January of 2014, and it was officially written in a memo dated January 2, 2014.. The PREA Coordinator has submitted adequate data, documentation, and evidence for review to make a determination that she has sufficient time and to develop, implement, and oversee agency efforts to comply with the PREA standards in this facility. During an interview with the PREA Coordinator she showed remarkable knowledge of the PREA Standards and the intent thereof, the PREA Coordinator has completed several trainings to account for her knowledge and the understanding of the intent for the Standards to include; NIC's online Courses, Mandated Reporters training, EAW International; Effective Report Writing Course, Law and Investigative Strategy, False Reports, and Preliminary Investigation.

This PREA Coordinator has taken the initiative to not just satisfy the standard but have taken the extra classes and continues to educate herself on the constant changes.

The position of the PREA Coordinator in the agency's organizational structure.

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

Auditor discussion, including the evidence relied upon in making the compliance or non-compliance determination, the auditor's analysis and reasoning, and the auditor's conclusions. This discussion must also include corrective action recommendations where the facility does not meet standard. These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.312 Contracting with other entities for the confinement of residents.

(a) A public agency that contracts for the confinement of its residents with private agencies or other entities, including other government agencies, shall include in any new contract or contract renewal the entity's obligation to adopt and comply with the PREA standards.

(b) Any new contract or contract renewal shall provide for agency contract monitoring to ensure that the contractor is complying with the PREA standards.

Tennessee Valley Juvenile Detention Center under ElyJenn of NW Currently contracts with Tennessee Valley Youth Services II Incorporated for the confinement of its residents, documentation has been reviewed and the Addendum 2 has been added as an attachment to include the prison rape elimination. The contract between these two agencies and September 30, 2017.

Standard 115.313 Supervision and monitoring

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

Auditor discussion, including the evidence relied upon in making the compliance or non-compliance determination, the auditor's analysis and reasoning, and the auditor's conclusions. This discussion must also include corrective action recommendations where the facility does not meet standard. These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.313 Supervision and monitoring.

(a) The agency shall ensure that each facility it operates shall develop, implement, and document a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect residents against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, facilities shall take into consideration:

- (1) Generally accepted juvenile detention and correctional/secure residential practices;
- (2) Any judicial findings of inadequacy;
- (3) Any findings of inadequacy from Federal investigative agencies;
- (4) Any findings of inadequacy from internal or external oversight bodies;
- (5) All components of the facility's physical plant (including "blind spots" or areas where staff or residents may be isolated);
- (6) The composition of the resident population;
- (7) The number and placement of supervisory staff;
- (8) Institution programs occurring on a particular shift;
- (9) Any applicable State or local laws, regulations, or standards;
- (10) The prevalence of substantiated and unsubstantiated incidents of sexual abuse; and
- (11) Any other relevant factors.

(b) The agency shall comply with the staffing plan except during limited and discrete exigent circumstances, and shall fully document deviations from the plan during such circumstances.

(c) Each secure juvenile facility shall maintain staff ratios of a minimum of 1:8 during resident waking hours and 1:16 during resident sleeping hours, except during limited and discrete exigent circumstances, which shall be fully documented. Only security staff shall be included in these ratios. Any facility that, as of the date of publication of this final rule, is not already obligated by law, regulation, or judicial consent decree to maintain the staffing ratios set forth in this paragraph shall have until October 1, 2017, to achieve compliance.

(d) Whenever necessary, but no less frequently than once each year, for each facility the agency operates, in consultation with the PREA coordinator required by § 115.311, the agency shall

assess, determine, and document whether adjustments are needed to:

- (1) The staffing plan established pursuant to paragraph (a) of this section;
 - (2) Prevailing staffing patterns;
 - (3) The facility's deployment of video monitoring systems and other monitoring technologies; and
 - (4) The resources the facility has available to commit to ensure adherence to the staffing plan.
- (e) Each secure facility shall implement a policy and practice of having intermediate-level or higher level supervisors conduct and document unannounced rounds to identify and deter staff sexual abuse and sexual harassment. Such policy and practice shall be implemented for night shifts as well as day shifts. Each secure facility shall have a policy to prohibit staff from alerting other staff members that these supervisory rounds are occurring, unless such announcement is related to the legitimate operational functions of the facility.

The Facility has implemented a staffing pattern, which was reviewed, reviewed facility roster and also verified Supervisory Monitoring Logs, this facility has had a non-occurrence of judicial findings of inadequacy, and they have taken in consideration of all possible blind spots "areas" with video monitoring. Unannounced Rounds are made frequently by the Executive Director, PREA coordinator and supervisors and were highlighted on the monitoring logs that were reviewed. Other determining factors are included in the facility's Written Institutional Plan, and Policy 13.8.1

Standard 115.315 Limits to cross-gender viewing and searches

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

Auditor discussion, including the evidence relied upon in making the compliance or non-compliance determination, the auditor's analysis and reasoning, and the auditor's conclusions. This discussion must also include corrective action recommendations where the facility does not meet standard. These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.315 Limits to cross-gender viewing and searches.

(a) The facility shall not conduct cross-gender strip searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening) except in exigent circumstances or when performed by medical practitioners.

(b) The agency shall not conduct cross-gender pat-down searches except in exigent circumstances.

(c) The facility shall document and justify all cross-gender strip searches, cross-gender visual body cavity searches, and cross-gender pat-down searches.

(d) The facility shall implement policies and procedures that enable residents to shower, perform bodily functions, and change clothing without nonmedical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks. Such policies and procedures shall require staff of the opposite gender to announce their presence when entering a resident housing unit. In facilities (such as group homes) that do not contain discrete housing units, staff of the opposite gender shall be required to announce their presence when entering an area where residents are likely to be showering, performing bodily functions, or changing clothing.

(e) The facility shall not search or physically examine a transgender or intersex resident for the sole purpose of determining the resident's genital status. If the resident's genital status is unknown, it may be determined during conversations with the resident, by reviewing medical records, or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner.

(f) The agency shall train security staff in how to conduct cross-gender pat-down searches, and searches of transgender and intersex residents, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs.

Facility does not permit cross-gender strip searches, reviewed Written Institutional Plan page 4, number 7, staffing plan show gender both male and female on rotating shifts, also verified during interviews with staff and residents no cross gender searches permitted, and residents stated they were able to shower and change clothing without nonmedical staff of the opposite gender viewing their breast, buttocks or genitalia. The interviews also verified that staff of the opposite gender announced their presence when entering the area where residents performing bodily functions, other verification tools Policy 9.10 Resident searches will be conducted by the same sex as person being searched. Personnel shall not conduct cross-gender pat-down, strip, or body cavity searches (medical personnel only) except in exigent circumstances. Staff shall document and justify all cross-gender searches by completing Form 115.315 Cross Gender Searches and submit the form to the PREA Monitor for the facility.

Standard 115.316 Residents with disabilities and residents who are limited English proficient

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

§ 115.317 Hiring and promotion decisions.

- (a) The agency shall not hire or promote anyone who may have contact with residents, and shall not enlist the services of any contractor who may have contact with residents, who—
- (1) Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997);
 - (2) Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or
 - (3) Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section.
- (b) The agency shall consider any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with residents.
- (c) Before hiring new employees who may have contact with residents, the agency shall:
- (1) Perform a criminal background records check;
 - (2) Consult any child abuse registry maintained by the State or locality in which the employee would work; and
 - (3) Consistent with Federal, State, and local law, make its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse.

- (d) The agency shall also perform a criminal background records check, and consult applicable child abuse registries, before enlisting the services of any contractor who may have contact with residents.
- (e) The agency shall either conduct criminal background records checks at least every five years of current employees and contractors who may have contact with residents or have in place a system for otherwise capturing such information for current employees.
- (f) The agency shall also ask all applicants and employees who may have contact with residents directly about previous misconduct described in paragraph (a) of this section in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. The agency shall also impose upon employees a continuing affirmative duty to disclose any such misconduct.
- (g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.
- (h) Unless prohibited by law, the agency shall provide information on substantiated allegations of sexual abuse or sexual harassment involving a former employee upon receiving a request from an institutional employer for whom such employee has applied to work.

Verified in Policy 3.1, Tennessee Valley Juvenile Detention in compliance with the Prison Rape Elimination Act of 2003, with the final standards enacted August 20, 2012, adheres to PREA standard 115.317 (Hiring and Promotion Decisions) that TVJDC shall not hire or promote anyone, or enlist the services of any contractor, who has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or has been civilly or administratively adjudicated to have engaged in such activity.

Standard 115.318 Upgrades to facilities and technologies

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

Auditor discussion, including the evidence relied upon in making the compliance or non-compliance determination, the auditor's analysis and reasoning, and the auditor's conclusions. This discussion must also include corrective action recommendations where the facility does not meet standard. These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.318 Upgrades to facilities and technologies.

(a) When designing or acquiring any new facility and in planning any substantial expansion or modification of existing facilities, the agency shall consider the effect of the design, acquisition, expansion, or modification upon the agency's ability to protect residents from sexual abuse.

(b) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, the agency shall consider how such technology may enhance the agency's ability to protect residents from sexual abuse.

- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

Auditor discussion, including the evidence relied upon in making the compliance or non-compliance determination, the auditor's analysis and reasoning, and the auditor's conclusions. This discussion must also include corrective action recommendations where the facility does not meet standard. These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.321 Evidence protocol and forensic medical examinations.

(a) To the extent the agency is responsible for investigating allegations of sexual abuse, the agency shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions.

(b) The protocol shall be developmentally appropriate for youth and, as appropriate, shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice's Office on Violence Against Women publication, "A National Protocol for Sexual Assault Medical Forensic Examinations, Adults/Adolescents," or similarly comprehensive and authoritative protocols developed after 2011.

(c) The agency shall offer all residents who experience sexual abuse access to forensic medical examinations whether on-site or at an outside facility, without financial cost, where evidentiarily or medically appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The agency shall document its efforts to provide SAFEs or SANEs.

If a rape crisis center is not available to provide victim advocate services, the agency shall make available to provide these services a qualified staff member from a community-based organization or a qualified agency staff member. Agencies shall document efforts to secure services from rape crisis centers. For the purpose of this standard, a rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages. The agency may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a comparable level of confidentiality as a nongovernmental entity that provides similar victim services.

(e) As requested by the victim, the victim advocate, qualified agency staff member, or qualified community-based organization staff member shall accompany and support the victim through the forensic medical examination process and investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals.

(f) To the extent the agency itself is not responsible for investigating allegations of sexual abuse, the agency shall request that the investigating agency follow the requirements of paragraphs (a) through (e) of this section.

(g) The requirements of paragraphs (a) through (f) of this section shall also apply to:

- (1) Any State entity outside of the agency that is responsible for investigating allegations of sexual abuse in juvenile facilities; and
- (2) Any Department of Justice component that is responsible for investigating allegations of sexual abuse in juvenile facilities.

(h) For the purposes of this standard, a qualified agency staff member or a qualified community-based staff member shall be an individual who has been screened for appropriateness to serve in this role and has received education concerning sexual assault and forensic examination issues in general.

These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.341 Obtaining information from residents.

- (a) Within 72 hours of the resident's arrival at the facility and periodically throughout a resident's confinement, the agency shall obtain and use information about each resident's personal history and behavior to reduce the risk of sexual abuse by or upon a resident.
- (b) Such assessments shall be conducted using an objective screening instrument.
- (c) At a minimum, the agency shall attempt to ascertain information about:

- (1) Prior sexual victimization or abusiveness;
 - (2) Any gender nonconforming appearance or manner or identification as lesbian, gay, bisexual, transgender, or intersex, and whether the resident may therefore be vulnerable to sexual abuse;
 - (3) Current charges and offense history;
 - (4) Age;
 - (5) Level of emotional and cognitive development;
 - (6) Physical size and stature;
 - (7) Mental illness or mental disabilities;
 - (8) Intellectual or developmental disabilities;
 - (9) Physical disabilities;
 - (10) The resident's own perception of vulnerability; and
 - (11) Any other specific information about individual residents that may indicate heightened needs for supervision, additional safety precautions, or separation from certain other residents.
- (d) This information shall be ascertained through conversations with the resident during the intake process and medical and mental health screenings; during classification assessments; and by reviewing court records, case files, facility behavioral records, and other relevant documentation from the resident's files.
- (e) The agency shall implement appropriate controls on the dissemination within the facility of responses to questions asked pursuant to this standard in order to ensure that sensitive information is not exploited to the resident's detriment by staff or other residents.

These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.342 Placement of residents in housing, bed, program, education, and work assignments.

(a) The agency shall use all information obtained pursuant to § 115.341 and subsequently to make housing, bed, program, education, and work assignments for residents with the goal of keeping all residents safe and free from sexual abuse.

(b) Residents may be isolated from others only as a last resort when less restrictive measures are inadequate to keep them and other residents safe, and then only until an alternative means of keeping all residents safe can be arranged. During any period of isolation, agencies shall not deny residents daily large-muscle exercise and any legally required educational programming or special education services. Residents in isolation shall receive daily visits from a medical or mental health care clinician. Residents shall also have access to other programs and work opportunities to the extent possible.

(c) Lesbian, gay, bisexual, transgender, or intersex residents shall not be placed in particular housing, bed, or other assignments solely on the basis of such identification or status, nor shall agencies consider lesbian, gay, bisexual, transgender, or intersex identification or status as an indicator of likelihood of being sexually abusive.

(d) In deciding whether to assign a transgender or intersex resident to a facility for male or female residents, and in making other housing and programming assignments, the agency shall consider on a case-by-case basis whether a placement would ensure the resident's health and safety, and whether the placement would present management or security problems.

(e) Placement and programming assignments for each transgender or intersex resident shall be reassessed at least twice each year to review any threats to safety experienced by the resident.

(f) A transgender or intersex resident's own views with respect to his or her own safety shall be given serious consideration.

(g) Transgender and intersex residents shall be given the opportunity to shower separately from other residents.

(h) If a resident is isolated pursuant to paragraph (b) of this section, the facility shall clearly document:

(1) The basis for the facility's concern for the resident's safety; and

(2) The reason why no alternative means of separation can be arranged.

(i) Every 30 days, the facility shall afford each resident described in paragraph (h) of this section a review to determine whether there is a continuing need for separation from the general population.

These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.352 Exhaustion of administrative remedies.

(a) An agency shall be exempt from this standard if it does not have administrative procedures to address resident grievances regarding sexual abuse.

- (b)(1) The agency shall not impose a time limit on when a resident may submit a grievance regarding an allegation of sexual abuse.
- (2) The agency may apply otherwise-applicable time limits on any portion of a grievance that does not allege an incident of sexual abuse.
- (3) The agency shall not require a resident to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse.
- (4) Nothing in this section shall restrict the agency's ability to defend against a lawsuit filed by a resident on the ground that the applicable statute of limitations has expired.
- (c) The agency shall ensure that—
- (1) A resident who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and
- (2) Such grievance is not referred to a staff member who is the subject of the complaint.
- (d)(1) The agency shall issue a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance.
- (2) Computation of the 90-day time period shall not include time consumed by residents in preparing any administrative appeal.
- (3) The agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. The agency shall notify the resident in writing of any such extension and provide a date by which a decision will be made.
- (4) At any level of the administrative process, including the final level, if the resident does not receive a response within the time allotted for reply, including any properly noticed extension, the resident may consider the absence of a response to be a denial at that level.
- (e)(1) Third parties, including fellow residents, staff members, family members, attorneys, and outside advocates, shall be permitted to assist residents in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of residents.
- (2) If a third party, other than a parent or legal guardian, files such a request on behalf of a resident, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process.
- (3) If the resident declines to have the request processed on his or her behalf, the agency shall document the resident's decision.

- (4) A parent or legal guardian of a juvenile shall be allowed to file a grievance regarding allegations of sexual abuse, including appeals, on behalf of such juvenile. Such a grievance shall not be conditioned upon the juvenile agreeing to have the request filed on his or her behalf.
- (f)(1) The agency shall establish procedures for the filing of an emergency grievance alleging that a resident is subject to a substantial risk of imminent sexual abuse.
- (2) After receiving an emergency grievance alleging a resident is subject to a substantial risk of imminent sexual abuse, the agency shall immediately forward the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, shall provide an initial response within 48 hours, and shall issue a final agency decision within 5 calendar days. The initial response and final agency decision shall document the agency's determination whether the resident is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance.
- (g) The agency may discipline a resident for filing a grievance related to alleged sexual abuse only where the agency demonstrates that the resident filed the grievance in bad faith.

§ 115.367 Agency protection against retaliation.

- (a) The agency shall establish a policy to protect all residents and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other residents or staff and shall designate which staff members or departments are charged with monitoring retaliation.
- (b) The agency shall employ multiple protection measures, such as housing changes or transfers for resident victims or abusers, removal of alleged staff or resident abusers from contact with victims, and emotional support services for residents or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.
- (c) For at least 90 days following a report of sexual abuse, the agency shall monitor the conduct or treatment of residents or staff who reported the sexual abuse and of residents who were reported to have suffered sexual abuse to see if there are changes that may suggest possible retaliation by residents or staff, and shall act promptly to remedy any such retaliation. Items the agency should monitor include any resident disciplinary reports, housing, or program changes, or negative performance reviews or reassignments of staff. The agency shall continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need.
- (d) In the case of residents, such monitoring shall also include periodic status checks.

- (e) If any other individual who cooperates with an investigation expresses a fear of retaliation, the agency shall take appropriate measures to protect that individual against retaliation.
- (f) An agency's obligation to monitor shall terminate if the agency determines that the allegation is unfounded.

Facility found compliant through review of the written institutional plan, and interview with both internal investigators Retaliation will be monitored for 90 days with weekly status checks. Investigations

§ 115.371 Criminal and administrative agency investigations.

- (a) When the agency conducts its own investigations into allegations of sexual abuse and sexual harassment, it shall do so promptly, thoroughly, and objectively for all allegations, including third-party and anonymous reports.
- (b) Where sexual abuse is alleged, the agency shall use investigators who have received special training in sexual abuse investigations involving juvenile victims pursuant to § 115.334.
- (c) Investigators shall gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; shall interview alleged victims, suspected perpetrators, and witnesses; and shall review prior complaints and reports of sexual abuse involving the suspected perpetrator.
- (d) The agency shall not terminate an investigation solely because the source of the allegation recants the allegation.
- (e) When the quality of evidence appears to support criminal prosecution, the agency shall conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.
- (f) The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person’s status as resident or staff. No agency shall require a resident who alleges sexual abuse to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation.
- (g) Administrative investigations:
 - (1) Shall include an effort to determine whether staff actions or failures to act contributed to the abuse; and

- (2) Shall be documented in written reports that include a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.
- (h) Criminal investigations shall be documented in a written report that contains a thorough description of physical, testimonial, and documentary evidence and attaches copies of all documentary evidence where feasible.
- (i) Substantiated allegations of conduct that appears to be criminal shall be referred for prosecution.
- (j) The agency shall retain all written reports referenced in paragraphs (g) and (h) of this section for as long as the alleged abuser is incarcerated or employed by the agency, plus five years, unless the abuse was committed by a juvenile resident and applicable law requires a shorter period of retention.
- (k) The departure of the alleged abuser or victim from the employment or control of the facility or agency shall not provide a basis for terminating an investigation.
- (l) Any State entity or Department of Justice component that conducts such investigations shall do so pursuant to the above requirements.
- (m) When outside agencies investigate sexual abuse, the facility shall cooperate with outside investigators and shall endeavor to remain informed about the progress of the investigation.

§ 115.376 Disciplinary sanctions for staff.

- (a) Staff shall be subject to disciplinary sanctions up to and including termination for violating agency sexual abuse or sexual harassment policies.
- (b) Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.
- (c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member's disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.
- (d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.

Compliance found through policy 1.29, 13.8.1, hiring and promotion policy, orientation training, written institutional plan notating “Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member’s disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories”, and through review of training of Administrative Staff (internal investigators, and interview with Office Manager, At the time of audit, there had been non-occurrence.

§ 115.378 Interventions and disciplinary sanctions for residents.

- (a) A resident may be subject to disciplinary sanctions only pursuant to a formal disciplinary process following an administrative finding that the resident engaged in resident-on-resident sexual abuse or following a criminal finding of guilt for resident-on-resident sexual abuse.
- (b) Any disciplinary sanctions shall be commensurate with the nature and circumstances of the abuse committed, the resident's disciplinary history, and the sanctions imposed for comparable offenses by other residents with similar histories. In the event a disciplinary sanction results in the isolation of a resident, agencies shall not deny the resident daily large-muscle exercise or access to any legally required educational programming or special education services. Residents in isolation shall receive daily visits from a medical or mental health care clinician. Residents shall also have access to other programs and work opportunities to the extent possible.
- (c) The disciplinary process shall consider whether a resident's mental disabilities or mental illness contributed to his or her behavior when determining what type of sanction, if any, should be imposed.
- (d) If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to offer the offending resident participation in such interventions. The agency may require participation in such interventions as a condition of access to any rewards-based behavior management system or other behavior-based incentives, but not as a condition to access to general programming or education.
- (e) The agency may discipline a resident for sexual contact with staff only upon a finding that the staff member did not consent to such contact.
- (f) For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation.
- (g) An agency may, in its discretion, prohibit all sexual activity between residents and may discipline residents for such activity. An agency may not, however, deem such activity to constitute sexual abuse if it determines that the activity is not coerced.

These recommendations must be included in the Final Report, accompanied by information on specific corrective actions taken by the facility.

§ 115.386 Sexual abuse incident reviews.

- (a) The facility shall conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded.
- (b) Such review shall ordinarily occur within 30 days of the conclusion of the investigation.
- (c) The review team shall include upper-level management officials, with input from line supervisors, investigators, and medical or mental health practitioners.
- (d) The review team shall:
- (1) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse;
 - (2) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or, gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility;
 - (3) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;
 - (4) Assess the adequacy of staffing levels in that area during different shifts;
 - (5) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and
 - (6) Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to paragraphs (d)(1)-(d)(5) of this section, and any recommendations for improvement and submit such report to the facility head and PREA compliance manager.
- (e) The facility shall implement the recommendations for improvement, or shall document its reasons for not doing so.
