Audit Findings

Audit Narrative

The auditor's description of the audit methodology should include a detailed description of the following processes during the pre-onsite audit, onsite audit, and post-audit phases: documents and files reviewed, discussions and types of interviews conducted, number of days spent on-site, observations made during the site-review, and a detailed description of any follow-up work conducted during the post-audit phase. The narrative should describe the techniques the auditor used to sample documentation and select interviewees, and the auditor's process for the site review.

The Tennessee Valley Juvenile Detention Center had its PREA Audit conducted on April 15, 2019. The facility did exceptionally well in assisting the Auditing Team in setting up interviews with staff, administration, and detainee(s) that were detained at the time of Audit. Tennessee Valley Juvenile Detention Center responsibilities include the safety, security and well-being of all residents who are placed in their custody and are upholding the commitment to ensure that all detainees and staff are trained and educated on sexual safety.

Prior to the arrival at the facility the PREA Auditor and the facility's PREA Compliance Manager communicated occasionally and this preparation made the Audit process transition smoothly. Upon arrival at the facility, The Auditing Team, Facility Administrator and PREA Compliance Manager conducted an in brief to answer any questions or concerns and allotted time to explain the onsite process of the audit, we conducted a very conclusive walkthrough, took several pictures, conducted interviews with a random selection of staff and detainees, and spoke with the PREA Compliance Manager and Executive Director in an exit interview to address any further questions or concerns and provided information as to the post audit process.

The Investigator duties are performed by both the PREA Compliance Manager and Executive Director in which training records and specialized training were both verified. The facility has documented their effort to established a MOU with Cramer's Children Center. Upon review of the well-organized documentation sent during the Pre-Audit, and through interviews it was reiterated that PREA Audits are like none other, and that the practice in place is consistent with the standard and policy, and the policy and practice has become institutionalized. The Executive Director, PREA Compliance Manager and Staff Tennessee Valley Juvenile Detention Center did an exceptional job in preparation for this Audit.
